

Need to see a GP or nurse in the evening or at the weekend?

Evening and weekend GP and nurse appointments are now available for people that live in Ealing or are registered with a GP in the borough.

Your practice receptionist can book an evening or weekend appointment for you at the Sunrise Medical Centre in Southall, Elmbank Surgery in Hanwell, or Florence Road Surgery at Ealing Broadway.

When your practice is closed, you can dial 111 to be assessed and you may be offered an evening or weekend appointment if appropriate for your needs.

Ask the receptionist at your GP practice for more detail of this new service.

You can access these services at the following locations:
